

**The protection you need.  
The peace of mind you deserve.**

**Honeywell**

With Optiflex you can view cameras from a local PC, a television or the Internet.

- Keep an eye on your home or business
- Check up on the kids
- Screen visitors
- Monitor vulnerable areas

Whether you're at the office, traveling for business or away on vacation, you'll have peace of mind knowing you're protected...and connected.

When choosing a video solution for your home or business, focus on a name you can trust.
